Always On My Mind

 Maybe I didn't love you Quite as often as I could have Maybe I didn't treat you Quite as good as I should have

If I made you feel second best Girl I'm sorry I was blind You were always on my mind You were always on my mind

2. Maybe I didn't hold you All those lonely, lonely times And I guess I never told you I'm so happy that you're mine

Little things I should have said and done I just never took the time You were always on my mind You were always on my mind

- R: Tell me, Tell me that your sweet love hasn't died Give me, Give me one more chance to keep you satisfied I'll keep you satisfied
- 3. Little things I should have said and done I just never took the time You were always on my mind You were always on my mind

You were always on my mind You were always on my mind Fešáci
