

## Dry and Dusty

Fever Ray

Never leave me  
Walk close beside me  
Your hand my hand  
Fits so easy

No tomorrow  
Let us stop here  
We did some great things  
Or didn't we

Dry and dusty  
I am a capsule of energy  
You speak softly  
We are capsules of energy

Work as I've been told  
In return I get money  
Small feet in your hall  
And I long for every moment

Dry and dusty  
I am a capsule of energy  
You speak softly  
We are capsules of energy
