## Ambition

I understand we need to have our own space too many days I need to talk and you're not there when you are here your mind is al ways somewhere else calculating to satisfy yourself I need you to feel our love.

I'm busy with affection and I'm fighting with my heart, can't g et over you busy with affection cause you're busy with ambition and you're running all alone, what is wrong with you? busy wit h ambition.

You're always planning for the future when you look back maybe you will regret it live for the present time for love is what w e need don't pass it up, there's not much opportunity let us en joy our lives

I'm busy with affection and I'm fighting with my heart, can't g et over you busy with affection cause you're busy with ambition and you're running all alone, what is wrong with you? busy wit h ambition.
