

That's What Love's All About

Fey

That's what love's all about it will keep us together what we share in our hearts thanks for having me in your life.

The times we have good and bad moments we can't erase from our hearts our minds the memories will remain as we walk through life the pleasure when we took is what makes me see tonight.

That's what love's all about it will keep us together what we share in our hearts thanks for having me in your life.

Your voice the jokes your smile following me around your touch your hands kisses that makes me high the phone the fights the magic in your eyes when you're in my eyes i find

That's what love's all about it's what brought us together all the good things in life thanks for being here by my side that's what love's all about it will keep us together what we share in our hearts thanks for having me in your life.
