

## If Not For Christ

FFH

If not for Christ I would surely fall  
Over myself and bear the fault  
Of all my deeds so terrible  
If not for Christ I would surely fall  
If not for Christ I would surely fall

If not for Christ I would surely break  
Under the weight of my mistakes  
And in my sin be kept away  
If not for Christ I would surely break  
If not for Christ I would surely break

It was for me He bled and died  
It was my sword that pierced His side  
It was my name that Jesus cried  
When on that tree He bled and died  
It was for me He bled and died

And now to Christ I owe it all  
He is to me a tower strong  
Salvation does to me belong  
It is to Christ I owe it all  
It is to Christ I owe it all
