

In The Garden

FFH

I come to the garden alone
While the dew is still on the roses
And the voice I hear falling on my ear
The Son of God discloses.

And He walks with me, and He talks with me,
And He tells me I am His own;
And the joy we share as we tarry there,
None other has ever known.

He speaks, and the sound of His voice,
Oh it's so sweet the birds hush their singing,
And the melody that He gave to me
Within my heart it's ringing.

And He walks with me, and He talks with me,
And He tells me I am His own;
And the joy we share as we tarry there,
None other has ever known.

And He walks with me, and He talks with me,
And He tells me I am His own;
And the joy we share as we tarry there,
None other has ever known.
None other has ever known.
