

# Never Gonna Be Alone

FFH

You may think that this song is a little trite  
You may be right  
You may think that I'm foolish and I  
Have a simple mind  
But I say we're all the same  
We all want the same things out of life

We all wanna be loved, we all wanna belong  
We all wanna know it's gonna be alright

That's why Jesus came  
And gave his life away  
And rose again on the that day  
So we could say

I'm ne ne never gonna be alone  
'Cause He's around  
I'm ne ne never gonna be alone  
Alone 'cause He's around  
I'm ne ne never gonna be alone  
'Cause He's around  
I'm ne ne never gonna be alone  
Alone 'cause He's around

I know that this life is short  
You're up and born and then you're off  
You're sitting in class staring at the walls  
Walking down the halls and goofing off  
Then before you think there's time to blink  
You're got a job and you're on your own

Then you get a wife, you get a life  
And you wish that you could just move back home

That's why Jesus said  
Live every day to its best  
And along the way don't forget  
He'll take care of the rest, so

All around, all around, all around me  
In everything I see  
Right beside, far ahead, just  
behind me  
He'll always be
