

## So Is His Love

FFH

Can you see the sun rise over the hill  
Rising warm, free and bright  
Feel the grass beneath your feet  
Soft, smooth and green

So is His love  
So is His grace  
So is the Lord  
Come trust His name  
See your life renewed  
He's the way of today,  
yesterday and to come  
So I will sing of Your praise  
All of my days

Walk in Your hope  
Stand in Your hope

Can you feel the rain fall on your face  
Washing all the dirt away  
Bring your feet down, splash around  
This is our life in Him

So is His love  
So is His grace  
So is the Lord  
Come trust His name  
See your life renewed  
He's the way of today,  
yesterday and to come  
So I will sing of Your praise  
All of my days

Do you feel His love fall all over you  
Warming you as the sun  
Do you feel the light shine on your face  
Making the shadows run far, far away.
