

Still The Cross

FFH

Sometimes it seems the world's unraveling around us
We fear it all may one day come undone
We can't forget the One who came before us
To forgive the past and bring hope for what's to come

When it all comes crashing down
The cross still stands alone
And on this our faith is built
And our courage is made strong

When the world falls apart
And you fear for your heart
There's a tower of peace
It's still the cross

So bring your sick and your poor
And your longing for more
To the place of relief
It's still the cross
There is hope for the lost
It's still the cross

Sometimes it seems that I have been forgotten
I don't know how I will make it on my own
But the One who said I will never be forsaken
He still hears my prayer and I will never be alone

Though the world may not confess
You and Your holiness
One day all will see
You in all Your majesty
And the cross will stand alone
As the place where You made known
Your love for all mankind
Till then in it we'll hide
