

My head is spinning in the clouds
I'm lost at sea
I try so hard to spit it out
But I still can't breathe
Tell me where to turn

Nothing to it
I'm a ruin
I'm so lost man, I'm feeling barely human
Can you get me through, Avalon?
Avalon

I try so hard, i try so hard
To be the king of the world
But my broken heart, my broken heart
Got shot down by the girl

Tell me where to start

There's nothing to it
I'm a ruin
I'm so lost man, I'm feeling barely human
Can you get me through, Avalon?

It starts to feel like mythology
Banging at my door
I can hear legend calling me
Like I been here before

So we raise our glasses high
And we drink to our health
But there ain't no elixir inside
That could make me feel like myself
Yeah, was that legend just a lie or something else, man?

There's nothing to it
I'm a ruin
I'm so lost man, I'm feeling barely human
Can you get me through?
Can you get me through?
Can you get me through, Avalon?
Avalon
Avalon
Avalon
