Just true love  
I'm reborn  
A blessing from above  
No more pawn  
Just true love  
I'm reborn  
A blessing from above  
I give you all my money and I give you all my dreams  
Give you all my loving and I give you my  
I give it every morning yes I give it every day  
Girl I wanna make you stay  
I clean up all your dishes and I clean up my whole life  
Clean up every wish - I'll be making you my wife

A blessing from above  
No more pawn  
Just true love  
I'm reborn  
A blessing from above
