

No Waves

FIDLAR

I feel, feeling like a drunk
And I feel, feeling like I can't get drunk no more,
'cause I'm on the floor,
Waiting for some magic just to kick up the score.

I feel, feel catching up,
I feel, I feel like getting up,
I'm still broke 'cause I'm fucking bored,
I want a perfect love on the sunset shore.

I feel, I'm feeling like a crack
And I feel, I'm feeling like I'm not gonna make it no more,
'cause I'm on the floor,
Just pick me up and give me some more.

I feel, I'm feeling like a grandpa,
I feel, I'm feeling like I'm old,
Like eighty years old and the skin so cold,
I need a new body and I need a new soul.

I feel, feel like getting drunk,
I feel, feel like getting up,
My life's so dirt, call all my friends
I hope I'll make it to the end.

I feel, feel that you know,
I feel, feeling like a crap
And I'm waiting no more, 'cause I'm on the floor
Just looking for some magic just to kick up the score.

I feel, feeling like a drunk
And I feel, feeling like I can't get drunk no more,
'cause I'm on the floor,
Waiting for some magic just to kick up the score.

I feel, feel catching up,
I feel, I feel like getting up,
I'm still broke 'cause I'm fucking bored,
I want a perfect love on the sunset shore.
