

White on White

FIDLAR

got no job got no money got no place to be
so they said there gonna make a man outta me

got no job got no money got no place to be
so they said there gonna make a man outta me

got no job got no money got no place to be
took me aut set me up sent me overseas

got no job got no money got no place to be
now its time to serveyour country NO

got a job got money got a place to be
runin through the desert trying to find the beach

got a job got money got a place to be
runin through the desert trying to find me me me
NO
