

Can You See Anything?

Field Music

Can you see anything?
Out of the ordinary

Can anybody do it?
See what you're seeing

Is it some special frequency?

And I want you to know
I want you to know
That I'm trying

But it's hard

Are you using a filter?
That absorbs all the useless

Do you think I might have one?
Can anybody use it?

Are you using a chemical?

And I want you to know
I want you to know
That I'm trying

But it's hard
It's hard
It's hard
It's hard

Oh, it's so very hard
When I don't know what you're doing

Is it something you're attuned to?
Is that this reaction that I don't understand?

And I want you to know
I want you to know
That I'm trying

And I want you to know
I want you to know
That I'm trying

But it's hard
It's hard
It's hard
It's hard

It's hard
It's hard
It's hard

Oh, it's so very hard
It's hard
It's hard
