Front

Hey friend you always had a smile for me Hey friend you went and OD'ed and left me After a life of abuse I could hardly blame you Can we have a world where girls can be girls and boys and be bo ys Where the adults don't use us as outlets for anger and as sexua l toys Bye-bye-bye, bye-bye-bye-bye-bye Bye-bye-bye-bye-bye Just say no, hands off-my body Just say no, your voice out of my head
