

## Lucky

Fifteen

My beloved sister called me on the phone today  
She said I hate to be the one to tell you this  
My beloved sister called me on the phone today  
She said Lucky Dog shot himself in the head today

My beloved brother called me on the phone today  
He said I saw them take his body away  
He said I found a note next to a rock of speed  
It said "give my dog to my folks, Sell my shit I cant trust any  
one" "goodBye"

Got me to thinking how we used to drive around  
Listen to NWA and steal people's recycle  
Got me to thinking how we cut up every door  
In the house, burn them up in the fireplace

Got me to thinking how we used to hang out the window  
Fish for pigeons and little black girls  
Got me to thinking how we used to do dumb shit  
And think it was so cool

Hey kid I hope you know sometimes life is gonna suck  
Hey kid I hope you know sometimes everything is gonna be fucked  
up  
Hey kid I hope you know the only way around your problems is st  
raight through them  
Nothing is insurmountable,

Nothing is undoable,  
Nothing is unbeatable,  
Nothing is impossible
