

Man Against Man

Fifteen

Fuck Marxism
Fuck Socialism
Fuck Capitalism
Fuck Anarchism

White man's got a whole lot of solutions
White man's got a whole lot of problems
White man's got a lot of bright ideas
White man like to play God
White man says, he says that God is a white man.

Everybody else and everything else gets systematically objectified
Fuck Communism
Fuck Democracy
Fuck science
Fuck reason and rationality

White man's got a whole lot of solutions
White man's got a whole lot of problems
White man's got a lot of bright ideas
White man like to play God
White man says, he says that God is a white man.
Everybody else and everything else gets systematically objectified

White man says, he says nature is not a part of God

White man's got progress, but its only pollution
White man's got technology, it's only confusion
White man's got Nature yeah, and he's got the papers to prove it
White man's got a bomb and he's stupid enough to use it
White man says, he says that God is a white man
Everybody else and everything else gets systematically objectified
White man says, he says nature is not a part of God

To kill her becomes justified
White man says, yellow man, red man black man they are not a part of God
To kill them becomes justified

Man against God
Man against Nature
Man against Woman
Man against child
Man against Man
