

## Sun Song

Fifteen

I need Coca-Cola I need Preparation H  
I need Texaco and Shell and Exxon I need Chevrolet  
I need Camel cigarettes I need Budweiser Beer  
I need cable channels 195  
I need 10 kinds of shampoo just so I can stay alive  
I need gainful employment I need a rental agreement  
I need a CAREER I need enslavement  
I need a hole in my head I need a hole in my head  
Sun comes up rains light down on the sky warms the Earth that's  
where I live  
Sun comes up pulls rain down from the sky wets the Earth that's  
where I live  
Sun comes up rain and light grow the food on the Earth that's w  
here I live  
Sun comes up all my needs are provided for by the Sun on the Ea  
rth once the day's begun
