

# Don't Wanna Dance Alone

Fifth Harmony

Calling all my girls  
There's an SOS tonight  
Let's have some fun, yeah  
One hundred percent  
Every single trace of my weekdays are gone, yeah  
There's gotta be a million faces up in this room, room  
But the only one who gets my attention is you, you

I got my best on  
And I feel like dancing all night long  
Nothing's gonna stop me  
You're what I want  
So baby come and get me  
Cause I don't wanna dance alone

Oh it's been so long  
Thinking 'bout the feeling of your arms  
Wrapped around my body  
That's what I want  
So baby come and get me  
Cause I don't wanna dance alone

Out on the floor  
I can feel you staring at me across the room  
Whatcha waiting for?  
All I want is you so come and make your move  
I see a million silhouettes dancing in this room, room  
I wanna be the one who gets the attention from you

I got my best on  
And I feel like dancing all night long  
Nothing's gonna stop me  
You're what I want  
So baby come and get me  
Cause I don't wanna dance alone

Oh it's been so long  
Thinking 'bout the feeling of your arms  
Wrapped around my body  
That's what I want  
So baby come and get me  
Cause I don't wanna dance alone

If you come in close  
Then I won't say no  
Baby all I want is you  
If you move too slow  
Then you'll never know  
All the things that we could do

If you come in close  
Then I won't say no  
Baby all I want is you  
If you move too slow  
Then you'll never know  
All the things that we could do

I got my best on  
And I feel like dancing all night long  
Nothing's gonna stop me  
You're what I want  
So baby come and get me  
Cause I don't wanna dance alone

Oh it's been so long  
Thinking 'bout the feeling of your arms  
Wrapped around my body  
That's what I want  
So baby come and get me  
Cause I don't wanna dance alone  
Don't let me dance alone  
I don't wanna dance alone
