

Lonely Night

Fifth Harmony

Now that I got your attention, you better listen up
'Cause I got questions
So why you late night texting?
And why you liking every pic of my best friend?
Get ya, get ya, get ya shit together (Uh huh)
Get ya, get ya, get ya shit together (Uh huh)
Boy, I got 20/20 vision
And that's the reason I'mma keep my distance

Must be confused about me (What?)
Must be confused about me (What?)
No room for fools around me
Ayy, ayy, ayy

If you don't treat ya mama right, bye-bye, bye-bye
If you got another chick on the side, bye-bye, bye-bye
You look everywhere but my eyes, bye-bye, bye-bye
It's gonna be a lonely, lonely, lonely, lonely, lonely night, bye-bye

Lonely, lonely, lonely, lonely
Lonely, lonely, lonely, lonely night
Lonely, lonely, lonely, lonely
Lonely, lonely, lonely, lonely night

Yeah, if you don't learn your lesson
You gon' get yourself in permanent detention
You want my love and affection
Then you better make a good impression
Get ya, get ya, get ya shit together (Uh huh)
Get ya, get ya, get ya shit together (Uh huh)
Yeah, I got 20/20 vision (20/20)
That's the reason I'mma keep my distance

Must be confused about me ('Bout me)
Must be confused about me ('Bout me)
No room for fools around me ('Round me)
Ayy, ayy, ayy

If you don't treat ya mama right, bye-bye, bye-bye
If you got another chick on the side, bye-bye, bye-bye
bye (When you know I don't want you, baby)
You look everywhere but my eyes, bye-bye, bye-bye (Oh, no)
It's gonna be a lonely, lonely, lonely, lonely, lonely night, bye-bye (Bye-bye)

Lonely, lonely, lonely, lonely
Lonely, lonely, lonely, lonely night (Be a lonely night)
Lonely, lonely, lonely, lonely (Be a lonely night)
Lonely, lonely, lonely, lonely night

This your woman, so get it right
If you don't, then I'll say, "Bye-bye"
Have a L-O-N-E-L-Y
La-la-la lonely night (La-la-lonely night)
This your woman, so get it right (It right)
If you don't, then I'll say, "Bye-bye" ("Bye-bye")
Have a L-O-N-E-L-Y

If you don't treat ya mama right, bye-bye, bye-bye (Bye-bye, bye-bye)
If you got another chick on the side, bye-bye, bye-bye (Bye-bye, bye-bye)
