Fifth Harmony

Boy you know that I want it  
I can tell you want me as your lady  
Can't deny that you're sexy  
So what's it gonna be

Is you gon' get a job and make some of that green  
You tryna take me out, but you can't pay for me  
I guess I got the cash, I'll take one for the team  
Baby can't you see

Ohhh ohhh  
I won't ask you to go

But I can't be your suga mama  
Your suga mama baby  
I can't be your suga mama  
I said I said  
I can't be your suga mama  
Your suga mama  
Hmm hmm  
I can't be your suga mama  
Your suga mama baby  
I can't be your suga mama

And even though I love the thought of you  
No I can't be your...can't be your  
Su su su your suga mama  
Su su su your suga mama  
Su su su your suga mama

Hmm yeah

Hey, I love what you do to me  
Ain't nobody love me like, like you do  
I won't call you lazy, but how you pay for food

My daddy said "no", you ain't no good for me  
Not ballin' in that dough, but I'm paying for your things  
Something's gotta change boy  
Hmm please (boy please)  
Oh baby can't you see

Ohhh ohhh  
I won't ask you to go

But I can't be your suga mama  
Your suga mama baby  
I can't be your suga mama  
I said I said  
I can't be your suga mama  
Your suga mama  
Hmm hmm
