

## For The Win

**Fight Fair**

You, talked behind your back  
Like a little kid  
We found out,  
Now you're dead!  
It's time for you  
To step up your wimpy game  
You'll slip up,  
Cause we are ahead

It's time for us believe me  
We're taking over easily  
It's time to give up  
We're here to destroy you  
This is for the win!
