

## Beside The Dying Fire

Fight The Fade

Watching, Waiting  
For the moment to press on  
I won't be afraid  
Of the dark  
The lighthouse is fading  
Which we followed to be safe  
We look up hoping  
We might see a glimpse of light

Beside the dying  
Fire of your passion (Fire of your passion)  
I'm screaming across  
The bare abyss of scattered ashes  
Can you hear me (Can you hear me?)  
I'm calling out your name (Calling out your name)  
I'm calling out your name!

I've been searching  
For so long I can barely stand  
It's just another desert wasteland  
Miles and miles and miles of death  
Life can be found in this life that I cursed

(Calling out your name)

Beside the dying  
Fire of your passion  
I'm screaming across  
The bare abyss of scattered ashes  
Can you hear me (Can you hear me?)  
I'm calling out your name (calling out your name)  
I'm calling out your  
Name!
