

Monolith

Fight The Fade

It's a dark, dark world
But I've opened up my eyes
To things of the unseen
There's a battle raging inside
Between who I am
And who I should be

Fire fall down
(And burn me up from the ground)
You can't touch me now
(I am invincible)
(I am invincible)

The things that I despise
Were all that ruled my life
Like a thief in the night
They come and strike
But this time
I'm striking back!

You can't take me
You can't break me
Down

Fire fall down
And burn me up from the ground
You can't touch me now
I am invincible
I am invincible
