

Blowout in the Radio Room

Fight

Trippin¹ out, oh yeah
I'm freakin¹ out
This sound is bouncing me
Right off the wall.

Lose myself
I can't control myself
I'm a radio head
That's in free-fall.

Chorus:

Gets me high
High
High
High

Verse:

Hazy man, oh yeah
I'm blasted man
Out there flippin¹ through my
Paisley mind.
Ride the wave
From cradle
To the grave
Breathe it in with my own kind.

Chorus:

Gets me high
High
High
High

Verse:

Boned with sound, oh yeah
I'm stoned on sound
No one gets to me
Inside this room.

Verse:

Spacin¹ out, oh yeah
I'm racin¹ here
This sound gets in my head
My head goes boooom.

Chorus:

Gets me high
High
High
High
