

# A Short History of the World

**Fightstar**

Lay your weapons down  
The lord has come to save us all  
And the truth is all he ever needed from you

But you were not the answer  
You were not the answer  
You are not the answer for the world

I have found a new sense to my surroundings  
But only when your out of view  
And will you ever know me  
And will you ever help me through

Lay your weapons down  
The lord has come to save us all  
And the truth is all he ever needed from you

Intellects vast and cool  
Unsympathetic with god and his earth  
With envious eyes  
But slowly  
And surely  
They drew their plans against us  
They drew their plans against us
