

Palahniuk's Laughter

Fightstar

I'm not in your house,
But I'm not in your head,
You're not even listening.
It's so hard to know
When you're not scared.

Please don't help me,
Please don't hate me.

Stop putting me down,
Coz I won't ever understand.
I see it in your eyes
I see it in your mind.

I'm trying not to speak,
Coz you can't hear my voice,
And nothing seems familiar here.
On the other side
Of this town.

Please don't help me,
Please don't help me.

Stop putting me down,
Coz I won't ever understand.
I see it in your eyes,
I see it in your mind.

Hold On..
Hold On..

If I see this all again,
I'll try to take my time,
I wonder how fast you could try.

All this time I thought you knew
All this time I thought you knew.
