

## Question Of Trust

Figure Four

Redemption is something that's so hard to gain.  
What is friendship when the trust is lacking.  
Where if the line drawn.  
Too late it's already been crossed.  
Can this be taken back. Is this the bitter end.  
Would you throw it all away.  
It hurts to even say I forgive.  
This hate can burn what's left of you.  
Redemption is something that's so hard to gain.  
These wounds cut deep  
But to dwell on them would be so worthless  
And all you'd find is bitterness.  
Can this be taken back.  
These wounds cut so deep.
