

Everybody's Talkin'

filmové melodie

Everybody's talkin' at me
I don't hear a word they're sayin'
Only the echos of my mind
People stop and stare
I can't see their faces
Only the shadows of their eyes

R: I'm goin' where the sun keeps shinin'
through the pourin' rain
Goin' where the weather suits my clothes
Bankin' off of the northeast wind
Sailin' on a summer breeze
Skippin' over the ocean like a stone

And, I won't let you leave my love behind
No, I won't let you leave my love behind
And, I won't let you leave my love behind
