

MASH (Suicide is painless)

filmové melodie

Through early morning fog I see
visions of the things to be
the pains that are withheld for me
I realize and I can see...

R: That suicide is painless
it brings on many changes
and I can take or leave it if I please.

I try to find a way to make
without that ever-present hate
all our little joys relate
but now I know that it's too late, and...

R: That suicide...

The game of life is hard to play
the losing card I'll someday lay
I'm going to lose it anyway
so this is all I have to say

R: That suicide...

The only way to win is cheat
and to another give my seat
and lay it down before I'm beat
for that's the only painless feat

R: That suicide...

The sword of time will pierce our skins
but as it works its way on in
it doesn't hurt when it begins
the pain grows stronger...watch it grin but...

R: That suicide...

A brave man once requested me
is it to be or not to be
to answer questions that are key
and I replied 'oh why ask me?'
Cause suicide is painless
it brings on many changes
and I can take or leave it if I please
...and you can do the same thing if you please.
