I've been thinking about what you said
It's been going around in my head
I've been thinking about what you were
It's a messy messed up blur

And when the con was over one thing I learned:

I think you'd be better off if you were dead

Think your check might last a year? aint got no worries... aint got no fear... you change so fast you're such a creep you make me feel so very cheap

And when the heist was over I guess I got burned

I think you'd be better off if you were dead
