## Fades Like a Photograph (Dead Angel)

Have you ever seen the stars at night and wondered, "Why so bri ght?" Have you ever seen the sunset on a cloudy night and wondered, " Why tonight?" And maybe there's just one time with you I want to remember for eternity. (For eternity.) Photographs taken, like memories of you, they disappear. Colors of your eyes, they fade with time; they just can't stay clear. Fades like a photograph... Just want to bring you back. Have you ever seen the bottom of the ocean from a plane? What a sight. Have you ever seen a sunrise in the snow cap mountains? The twi light. And maybe there's just one time with you I want to remember for eternity. (For eternity) Photographs taken, like memories of you, they disappear. Colors of your eyes, they fade with time; they just can't stay clear. Photographs taken, like memories of you, they disappear. Colors of your eyes, they fade with time; they just can't stay clear.

Fades like a photograph... Just want to bring you back.
