

Fades Like a Photograph

Filter

Have you ever seen the stars at night and wondered
Why so bright (so bright)
Have you ever seen the sunset on a cloudy night
And wondered why tonight

And maybe there's just one time with you
I want to remember for eternity, for eternity

Photographs taken like memories of you they disappear
Colors of your eyes they fade with time
They just can't stay clear, yeah!!
Fades like a photograph
Just want to bring you back

Have you ever seen the bottom of the ocean
From a plane, what a sight
Have you ever seen the sunrise
In the snow cap mountains from twilight

And maybe there's just one time with you
I want to remember for eternity, for eternity

Photographs taken like memories of you they disappear
Colors of your eyes they fade with time
They just can't stay clear
Photographs taken like memories of you they disappear
Colors of your eyes they fade with time
They just can't stay clear, yeah!!
Fades like a photograph
Just want to bring you back
Yeah, yeah whoaaa ooooh
