Could you stay long enough for me to say goodbye  
You can be free as long as you're with me  
If you could see the real me you'd bleed  
If you could see the real me I'd breathe  
Could you still breathe long enough for me  
Could you still be long enough for me

When do you think I'll be okay  
When do you think I'll be okay

If I should stay when do I pray  
If I should stay where do I begin  
Do you think I should watch you die  
Should we close our eyes and say goodbye

When do you think I'll be okay  
When do you think I'll be okay  
When do you think I'll be okay  
When do you think I'll be okay

Hey you miss blue  
You think that I'm well to do  
Hey you miss blue  
I fell in love with you  
Hey you miss blue  
I think about you as true  
Hey you miss blue  
I hate it when you cry  
Hey you miss blue  
I hate it when you say goodbye  
Hey you miss blue  
I hate it when you say goodbye

When do you think I'll be okay  
When do you think I'll be okay  
When do you think that I'll be okay  
When do you think that I'll be okay

("When do you think I'll be okay, I'll be okay" is repeated in background)

Hey you miss blue  
You say goodbye  
You say goodbye yeah  
Don't say goodbye  
Say goodbye

Good bye  
Good bye  
Good bye  
Good bye  
Good bye  
Good bye  
Good bye
