Better Than Worse

Final Fantasy

Twice was enough Third would be an insult to my condition

Diamond of rough you see oppurtunity I see apparitions

Changing my mind Is not so incredible I do it all the time

Better than worse Is free from the curse And when I came to It all felt rehearsed

Oooh, Oooh, Oooh, Oooh, Oooh Oooh, Oooh, Oooh, Oooh Oooh, Oooh, Oooh, Oooh

Better than worse Is free from the curse And when I came to It all felt rehearsed

Better than worse Is free from the curse And when I came to It'd all been reversed
