```
once again your eyes make it hard to say goodbye so i'll just keep driving where do you wanna go? it doesn't really matter as long as you are here with me with me
```

whoa, there's something in the air tonight something that makes me feel alive and i say whoa, what were the words that you said to me that made me feel so special now

once again your eyes make it hard to ask you why so i sit here knuckles tight hands against the wheel your head against the glass and you mean so much to me to me

whoa, there's something in the air tonight something that makes me feel alive and i say whoa, what were the words that you said to me that made me feel so special now

whoa (stay with me)
whoa (stay with me)
whoa (stay with me)
whoa (stay)
stay with me
cigarettes and open air, hand in hand
i said stay with me
cuz every star that i see is brighter than the last
so stay with me

[repeat]
