

All Cried Out

Fink

You took your time to come back this
time
The grass has grown under your feet
In your absence I changed my mind
And someone else is sitting in your seat

I know that I said that there'd be
no-one else
I know that I said I'd be true
But baby - I burned Cupid's arrow
And here's the short and narrow
I've nothing left to offer you

'Cause I'm all cried out
You took a whole lot of loving for
a handful of nothing
All cried out
It's hard to give you something when
You're pushing me

So don't look surprised there was
no disguise
You know where I stood from the start
So stop - look around you
You're right back where I found you
Take back your cold and empty heart

You go your way
I'll go mine
I won't stay around here
Don't you waste my time

All cried out...
