

Hard Believer

Fink

I can see the light coming
I can see the light coming
Over the hill, over hill

Hard Believer
Hard Believer
Won't you believe?
Won't you believe me now?!

We were made for each other
Won't you believe in me now?
We were made for each other
Won't you believe me now?

I can hear the sirens
I can hear the sirens
Golden like the sun
Golden like the sun

Hard Believer
Hard Believer
Hard Believer
Won't you believe me now?!
