

# This Is the Thing

Fink

I don't know if you noticed anything different  
It's getting dark and it's getting cold and the nights are getting long  
I don't know if you even noticed at all  
That I'm long gone baby, I'm long gone

And the things that keep us apart keep me alive and  
The things that keep me alive keep me alone

This is the thing

I don't know if you notice anything missing  
Like the leaves on the trees or my clothes all over the floor  
I don't know if you'll even notice at all  
Coz I was real quiet when I closed the door

And the things that keep us apart keep me alive and  
The things that keep me alive keep me alone

This is the thing

I don't know if you notice anything different  
I don't know if you even notice at all  
I don't know if you notice anything missing

This Is The Thing  
This Is The Thing
