Who says it ain't enough?
If it fits like a glove, then it must be love

Okay, it's rough around the edges
If it fits like a glove, then it must be love

Who says we can't live this way?
We can work it out in our own way

There's no way they're ever gonna listen
If they're sharpening their knives, then it must be love, mmhmm
I can see it in their eyes
They just get what they are given
If they criticize, then it must be love, mmhmm mmhmm

Who says we can't live this way?
We can work it out in our own way
In our own way
