```
You gotta choose, you gotta choose
whose going home with you tonite
is it me, is it me, i gotta know where we go from here
red amber green
amber red
you gotta choose, you gotta choose
where it all ends and where it all begins
is it me, is it me, or is this whole game just about who wins
red amber green
amber red
you gotta choose, you gotta choose
is it left or is it right
is it me, is it me, all the lights are against s tonite
red amber green
amber red
you gotta choose
which way we go, i'm completely lost
```
