

Feeling Blue

Finley Quaye

I'm right at home
Must be beneficial yeah
I'm right at home
Can't be artificial no
Babylon fall
Falling, falling down
The reign is falling
Falling, falling down
All that I know
All that is natural
I know, I blow

Baby I'm feeling blue
So what you gonna do
About it, waouh!
Baby I'm feeling blue
So what you gonna do
About it, waouh!

I feel at home
Must be beneficial yes
I'm right at home
Can't be artificial no
If you are a radical
Answer your call
Babylon fall
Falling, falling down
Answer your call
And take your love to town
All that I know
All that is natural
I know, I blow

Baby I'm feeling blue
So what you gonna do
A bout it, waouh!
Baby I'm feeling blue
So what you gonna do
A bout it, waouh!

Do you sympathise
Things are ever so ever so dread
Do you understand
I am ever so good
I blow, I grow

Baby I'm feeling blue
So what you gonna do
A bout it
Baby I'm feeling blue
So what you gonna do
A bout it, waouh!
Baby I'm feeling blue
So what you gonna do
A bout it, waouh!
