

Overcome

Finley Quaye

She took a whiff of my scliff and she started to check my behav
iour - Take my hand
She said would it be good if you started to look for your savio
ur - Holy land
Smoke on your spliff it will give you lift have a good time - S
ay my prayers
Fully aware of the people that care in the world - Be my friend

I never wanted any struggle - Overcome - Why don't you come ove
r?
I never wanted any trouble - Overcome - Why don't you come over
?
I only wanted your love - Overcome - Why don't you come over?
I only wanted your love - Why don't you come over? Why don't yo
u come over?

Heaven's above would you give me some love in return - I have l
earned
I wanted to touch to tell just how much I love you - Stay with
me
I'll travel the world I'll be missing you girl and our baby - E
ase the pain
Flat on my face must have fallen from grace it's disgraceful -
Our family tree

I never wanted any struggle - Overcome - Why don't you come ove
r?
I never wanted any trouble - Overcome - Why don't you come over
?
I only wanted your love - Overcome - Why don't you come over?
I only wanted your love - Why don't you come over? Why don't yo
u come over?
I only wanted your love - Why don't you come over? Why don't yo
u come over?
I only wanted your love - Why don't you come over? Why don't yo
u come over?
