White Paper

Finley Quaye

You've got to have your fantasy Live and let live, don't be negative Don't you take my, my liberty

Boys and their toys bring the noise Don't you hide my, my history Satan's side, wild side Don't you shake my reality

You've got to have your fantasy Live and let live, don't be negative Don't you take my, my liberty

Boys and their toys, bring the noise Don't you hide my, my history Satan's side, wild side You can't break our unity
