

Lies Are All Around Me

Finley

Don't make promises
that you won't keep
I've been honest
now I'm faithless
if it's not true
that it's no use
telling the truth
so why do you keep lying to me?

Man,
how would you feel
if you ever woke up in your sleep?
Hey man,
how would you liv
if you realized
you've been sleeping for two years
I thought that I could count on you
and now I know it is not true
and lies are all around me
soon they're gonna make you burn
I think I'm changing point of view
this time I won't believe in you
cuz lies are all around me
but the greatest lie to me is you

You made mistakes
and so did I but
I was the one who apologized
I'm right on time
to tell you I'm tired
don't want to talk
please just keep away from me

Man,
how would you feel
if you ever woke up in your sleep?
Hey man,
how would you liv
if you realized
you've been sleeping for two years
I thought that I could count on you
and now I know it is not true
and lies are all around me
soon they're gonna make you burn
I think I'm changing point of view
this time I won't believe in you
cuz lies are all around me
but the greatest lie to me is you

Lies all around, all around, all around me

Man,
how would you feel
if you ever woke up in your sleep?
Hey man,
how would you liv
if you realized

you've been sleeping for two years
I thought that I could count on you
and now I know it is not true
and lies are all around me
soon they're gonna make you burn
I think I'm changing point of view
this time I won't believe in you
cuz lies are all around me
but the greatest lie to me is you
