

Satisfied

Finley

Everything goes much faster
I set my eyes on her
She's all over me
she is tempting me (tempting me)
should I be
ashamed of myself
for playing her game?
I can't stop (can't stop)
can't stop my instinct the fault is mine
you burn (you burn)
you burn me down I lose control
I promise you,
I'm honest
I promise you,
I'm only having fun
I promise you,
I'll call you
I'll miss you when,
when I'm satisfied
Man is the only animal
who can control his life using reason be
careful cause a beast
is for sure
more sensitive,
more rational than me
I can't stop (can't stop)
can't stop my instinct the fault is mine
you burn (you burn)
you burn me down I lose control
I promise you,
I'm honest
I promise you,
I'm only having fun
I promise you,
I'll call you
I'll miss you when,
when I'm satisfied
Satisfied,
satisfied,
satisfied,
satisfied,
satisfied...
I promise you,
I'm honest
I promise you,
I'm only having fun
I promise you,
I'll call you
I'll miss you when,
when I'm satisfied.
