You'll never see The courage I know Its colors' richness won't Appear within your view I'll never glow The way that you glow Your presence dominates The judgements made on you But as the scenery grows I see in different lights The shades and shadows Undulate in my perception My feelings swell and stretch I see from greater heights I understand what I am still Too proud to mention To you

You'll say you understand But you don't understand You'll say you'd never Give up seeing eye to eye But never is a promise And you can't afford to lie

You'll never touch
These things that I hold
The skin of my emotions
Lies beneath my own
You'll never feel
The heat of this soul
My fever burns me deeper
Than I've ever shown
To you

You'll say
Don't fear your dreams
It's easier than it seems
You'll say you'd never
Let me fall from hopes so high
But never is a promise
And you can't afford to lie

You'll never live
The life that I live
I'll never live the life
That wakes me in the night
You'll never hear
The message I give
Youy'll say it looks as though
I might give up this fight

But as the scenery grows
I see in different lights
The shades and shadows
Undulate in my perception
My feelings swell and stretch

I see from greater heights
I realise what I am now
Too smart to mention
To you

You'll say you understand
You'll never understand
I'll say I'll never wake up
Knowing how or why
I don't know what
To believe in
You won't know who I am
You'll say I need appeasing
When I start to cry
But never is a promise
And I'll never need a lie
