On the Bound

Fiona Apple

Oh my life is on the know Hail the pages turning And then the future's on the bound Hhell don't know my fury

You're all I need, you're all I need, you're all I need You're all I need, you're all I need, you're all I need Youre all I need And maybe some faith would do me good

I don't know what I'm doing Don't know should I change my mind I can't decide, there's too many variations to consider Nothing I do don't do nothing but bring me more to do It's true , I do imbue my blue unto myself, I make it bitter

Baby, lay your head on my lap one more time Tell me you belong to me Baby say that it's all gonna be alright I believe that it isn't.

You're all I need, you're all I need, you're all I need You're all I need, you're all I need, you're all I need Youre all I need And maybe some faith would do me good (3x)
