## Waltz (Better Than Fine)

## **Fiona Apple**

If you don't have a song To sing you're okay You know how to get along Humming Hmmm

If you don't have a date Celebrate Go out and sit on the lawn And do nothing 'Cause it's just what you must do Nobody does it anymore

No I don't believe in the wasting of time, But I don't believe that I'm wasting mine

If you don't have a point to make Don't sweat it You'll make a sharp one being so kind And I'd sure appreciate it Everyone else's goal's to get big headed Why should I follow that beat being that I'm Better than fine
