

Waltz

Fiona Apple

If you don't have a song to sing
You're okay
You know how to get along
Humming

If you don't have a date
Celebrate
Go out and sit on the lawn
And do nothing
'Cause it's just what you must do
And nobody does it anymore

No, I don't believe in the wasting of time
But I don't believe I'm wasting mine

If you don't have a point to make
Don't sweat it
You'll make a sharp one being so kind
And I'd sure appreciate it
Everyone else just goes to get big-headed
Why should I follow that beat being that
I'm better than fine
